OPEN BAR	We would be happy to make an offer for spirits, long drinks and cocktails upon request. The hourly rate is based on the desired selection.

The rates include unlimited consumption of the quoted drinks on offer, starting at the beginning of the menu or buffet, in either case for 3 hours. The hourly rate will be charged for every additional hour commenced.

We would be happy to create an individual rate according to your conceptions. Share your desires with us and we will calculate the best possible offer for you.

Should you not desire an hourly rate, you may select beverages from our beverage offer and the wine list. All beverages will then be ordered by your guests à la carte and charged according to actual consumption.

Please let us know if we may offer tobacco and whether it should be billed on the group invoice.
