### **Beautiful and age-appropriate furniture will make Lea's little kingdom a pleasant place of well-being.**

Lea, living in Vienna, attends a small class for pupils with severe disabilities. She is fond of everyday school life and studying. Due to severe spasms she unfortunately cannot always take part in the lessons as long periods of sitting in a wheelchair are too strenuous for her. Consequently she is spending a lot of time in her nursing bed. Lea would love some new shelves, a wardrobe and a desk for her teenage room. Due to cerebral palsy, the 13-year-old girl is dependent on care and support in all areas of life, day and night.

**THANK YOU FOR DEDICATING YOUR DONATION TO CHILDREN WITH DISABILITIES OR SERIOUS DISEASES AND THUS GIVING THEM AND THEIR FAMILIES JOY AND CONFIDENCE.**
